

American Sleeve Bearing

The Bushing Specialists

American Sleeve Bearing (ASB) is a world-class manufacturer of sleeve bearings and bushings. We specialize in bronze and offer customer service that is unique. Our commitment to customer needs and a manufacturing model built on flexibility allow us to produce/ship 1-1000 parts on a same day, next day or expedited basis. We haven't missed a "RUSH" delivery in over 20 years.

American Sleeve Bearing (ASB) ... Unparalleled customer service, total flexibility....the fastest growing company in the bushing business!
